Made for the Trade.

A SERIES: ADA COMPLIANT & ADA ACCESSIBLE PRODUCT OFFERING

Florestone's A Series Shower and Tub Products combine safety, style, and practicality for universal accessibility. Designed to meet ADA accessible and compliance standards, these products feature low thresholds, slip-resistant surfaces, and reinforced structures for grab bar installation. Their easy-to-install design ensures quick setup, while durable materials provide long-term reliability and low maintenance. Available in various sizes and configurations, Florestone's A Series products are an ideal solution for residential or commercial projects seeking accessibility without compromising aesthetics.
